ATTENDANCE MATTERS

Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success—both in school and in life. When you make school attendance a priority, you help your child get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating. We do encourage them with Trophy

EDUCATIONAL VISITS

We are committed to provide out-of-school learning opportunities for our children. Educational visits enable us to take children's learning onto a higher level and provide them with learning experiences

FROM MANAGEMENT DESK

FROM PRINCIPAL'S DESK

Dear Parent /Carer,

A very warm welcome to **SANSKAR THE SMART SCHOOL**

We are passionate about offering children an exciting, stimulating and rich curriculum based on real reasons for learning. We hope that you will share with us the belief that every child should have the opportunity to meet their potential and develop the academic, creative, social and spiritual skills that will enable them to fulfill a happy and prosperous life.

Our school enables pupils from the age of 2.5 to meet the challenges with an education that will prepare them for life in the 21st century. We use a wide range of styles and resources to excite, motivate and challenge our young people to succeed.

Our school is at the centre of city. Please take the time to visit the school to see just how exciting smart school is.

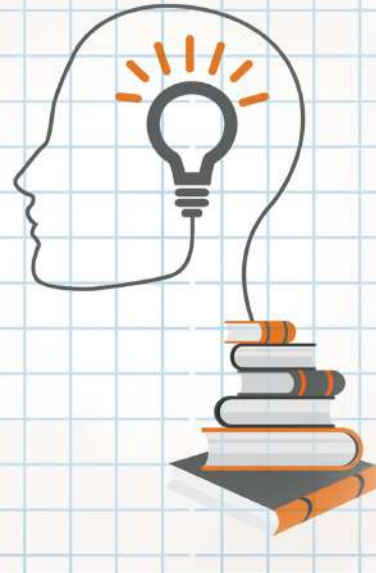

Yours faithfully,

Education institution curriculum is designed to motivate students to give their best and to promote academic excellence and competence. Assumption of education in today's environment means fulfilling dreams in the mind of every guardian and student, a successful career and making concrete the ideas of an esteemed and happy life.

To contribute little but solid, in the direction of making concrete, we have cherished a dream in which little, delicate hearts and bodies should be overpowered with deal enthusiasm and confidence. Our values which are our heritage, our identify should be engraved in the hearts of our little children and good citizens will be formed to glorify their family and country. Our mission is the systematic coordination of education with the Sanskar or moral values in today environment, where we will be able to become a medium to make concrete the real dreams of every child by giving a solid base. We have taken a pledge to make concrete these aspirations on "With expectation of cooperation".

VISION AND VALUES

Our Vision Statement condenses our aspirations into a few words. You will see it displayed around the school, reflected in the contents of this document, and put into practice in the school's work.

ABOUT US

The Smart School aims in the ultimate and overall growth of child. We believe a child can be moulded in a perfect shape in the beginning itself. We make our child smart and brilliant to face the competitive world smartly. All children are capable of acquiring quality education. Our system is unique in the sense that it has been carefully designed to ensure that every child is prepared to face the ever-changing challenges of the society. The success of our dynamic institution can be attributed to its clear vision, systematic planning and coordination approach to the role of its dedicated and committed talents.

WE

A team of aspirant educationalists and technically smart young and dynamic individuals who had made a track record in their respective field had been innovative and initiative, have joined together to give a concept of pre-school education with a new touch.

WE DO

We in India had launched an exclusive chain of Pre-school education with state of art techniques, which is not found in common pre-schools. All initiative that is made with us has made one thing in common: Innovation with the deep understanding of the global expectation and the Indian Culture we had synergized our concepts.

WE GIVE

The programme has been designed for all-round development of the child, taking into account their cognitive, physical, social, emotional and sensorial abilities. Children learn in an eco-friendly environment in consonance with an innovative methodology specially evolved by us. The programme stands intact, and encompasses highly methodical and step-by-step events ensuring learning by doing.

WE DIFFERENT

The curriculum, syllabus mythology are at par with the international standard. Developing the effective skills of communication, interpersonal relations, leadership qualities and patriotic spirit, culminating in the holistic development of personality. Periodical inspection and common evaluation system to maintain the standard in our network.
